

Transfer between hotel and conference site

Shuttle buses, displaying the STIRAP sign, will provide the transfer between hotels and the conference site.

The transfer is done with city-buses. They use regular city-bus stops. The timing is adjusted to avoid interference with the regular bus lines. Thus, the buses will arrive on time and cannot wait for long.

The single downtown bus stop (“Stadtmitte C”, see maps 2,3,6 and 7) is for the hotel Alcatraz, Barth, Lauterbach, SAKS and Altstadt,

The bus stop “Polizeipräsidium” (see map 8) is for the hotels B&B, Astra and Zum deutschen Michel.

The bus stop “Zollamtstrasse” (see map 9) is for the Hotel Zollamt.

Arrival and departure on campus is at the bus stop “Universität West”, directly under the pedestrian bridge (see map 10 and 11). Upon arrival, you reach the campus via the bridge (you cannot cross the 4-lane street otherwise). For departure, you do NOT cross the bridge to reach the bus stop.

The hotel **Zollamt is in 20 min walking distance** from the lecture halls, but the walk is slightly uphill (see map 4). When leaving the hotel, turn left and walk along the Buchenlochstrasse uphill. (You can also walk along the “Trippstädter Strasse” but this is a less pleasant route.). When reaching the campus, have the circular tower (building nr. 47, the president resides at the 12th floor) to your left and proceed more-or-less straight across the campus, to reach the Mensa (building nr. 30, to your right) and, to your left, building nr. 42 with the lecture hall. The number 42 is only seen close to the top of the circular structure above the building.
